HOME DEPARTMENT.

POLITICAL.

Simla, the 19*th November* 1920.

No. 4484.—In view of recent events the Governor-General in Council considers that it is necessary to make a further declaration of the attitude and policy of the Government of India towards the non-co-operation movement, not only for the guidance of local Governments and Administrations but also for the information of the people of India. At the opening of the Autumn Session of the Imperial Legislative Council His Excellency the Viceroy explained the policy which the Government of India have, up to date, followed in this matter. Although in their opinion the movement is unconstitutional in that it has as its object the paralysis and subversion of the existing administration of the country, Government have hitherto refrained from instituting criminal proceedings or taking any other action against those of its promoters who have advocated simultaneously with non-co-operation abstention from violence, and they have instructed local Governments to take action against those persons only who in furtherance of the movement have gone beyond the limits originally set by its organisers and have by speech or writing openly incited the public to violence or have attempted to tamper with the loyalty of the army or of the police. In adopting this policy Government have been influenced by several considerations.

In the first place they have been reluctant to interfere with liberty of speech and the freedom of the press at a time when India is on the threshold of a great advance towards the realisation of the principle of self-government within the Empire, when indeed the first elections are already in sight. In recognition of that advance and in pursuance of the spirit of the King Emperor's Proclamation of December last they extended His Majesty's clemency to many hundreds of political offenders who were then in custody and they have since released from the restrictions of the Press Act numerous papers which were formerly held to security. Although these concessions have in many cases failed to evoke any response or recognition, Government are loth to re-impose restrictions which have so lately been relaxed.

In the second place, Government are at all times reluctant to embark on a campaign against individuals some of whom may be actuated by honest, if misguided, motives. This consideration is reinforced by the knowledge that such action, even if it took the form of prosecution under the ordinary criminal law, would be likely to give those against whom it might be directed the opportunity of posing as martyrs and might also by evoking false sympathy swell the number of adherents to a cause which has in itself no intrinsic merit to commend it to public acceptance.

The third and chief consideration, however, which has influenced the Government of India is their trust in the common sense of India, their belief that the sanity of the classes and the masses alike would reject non-co-operation as visionary and chimerical scheme, which if successful could only result in widespread disorder, political chaos, and the ruin of all those who have any real stake in the country. The appeal of non-co-operation is to prejudice and ignorance, and its creed is devoid of any constructive genius. India has had bitter experience of the fruits of its forerunner the "Satyagraha" cult, and the Governor-General in Council still hopes that with that lamentable warning before her eyes India will reject the much greater peril of non-co-operation. Its principal expounds have frankly avowed that their object is to destroy the present Government—"to dig up the foundations of the British Government in India" and they have promised their followers that if only their gospel be generally accepted India shall be self governing and independent within one year. The full consummation of their hopes would leave India defenceless alike against foreign aggression and internal chaos. All the benefits of stable Government and undisturbed peace, the greater results which, it is hoped, will attend her advance under the Reforms Scheme, her material prosperity and her political progress are all to be sacrificed to the irresponsible caprice of a few misguided men.

The confidence of Government in the good sense of India has already been in great measure justified by the unanimity of her best minds in their condemnation of the folly of non-co-operation. For a most weighty body of educated opinion has rejected this new doctrine as one that is fraught with the most mischievous potentialities for India. But having failed to secure a favourable verdict from educated India, the leaders of the movement have now been driven to increase the violence of their appeal to the masses and to endeavour to enlist under the banner of non-co-operation the sympathy and assistance of immature school boys and college students

liecan lie two great dangers for India, which have compelled Government to place the issues plainly before the country, in the hope that its most enlightened and stable elements may clearly recognise the necessity of vigorous and united action to prevent any further extension of the mischief.

Of these two latest developments, the most immoral is undoubtedly the mischievous attack which has been made on the youth of the country who are to be sacrificed to the exigencies of a political campaign; it matters not to the leaders of the movement if the foundations of home life are sapped and children set against their parents and teachers, provided their own ends are attained and the success of their campaign assured.

The appeal to the illiterate and the ignorant is also fraught with very grave danger—it has already resulted in at least one deplorable crime—and it is certain that the restless activity of the leaders who wander from one city to another stirring up excitement amongst the masses by inflammatory speeches and by the reiteration of false statements despite constant contradiction may at any moment result in serious outbreaks of disorder.

The best weapon to combat both dangers lies in the practical help and sympathy of sober minded and moderate men and Government therefore call on all who have the good of India at heart to organise themselves and take concerted measures to assist the cause of law and order by active opposition to the movement, by the exercise of their influence over the minds of the ignorant and the immature, and by public exposure and denunciation of the evils of non co-operation and of the anarchy to which it must inevitably lead. Government appreciate the action which has already been taken in this direction by men of liberal opinion and moderate mind throughout India and they congratulate the country more particularly on the manifestations of public displeasure which have occurred in regard to the mischievous attack on education. The opposition which has been offered to this phase of the movement by the Trustees of the M.A.O. College at Aligarh, by the authorities of the Khalsa College at Amritsar, by many other school authorities, by the great majority of teachers and parents and also by large sections of the student community itself is indeed a most hopeful feature in the situation.

Government realise that it is to enlightened public opinion they must chiefly trust for a dissipation of the danger that now envelops India, as it is on that same public opinion that India's political future must depend. It is in this trust that they have refrained in the past, so far as is consistent with the public safety, from repressive action, for they consider that such action should only be employed in the last resort, when indeed failure to adopt it would be a criminal betrayal of the people. How long, with due regard to their ultimate responsibility for the public safety, Government will be able to maintain that policy, will depend largely on the success which attends the efforts of sane and moderate citizens to check the extension of the movement and keep its dangers within bounds.

No. 1120.—In exercise of the powers conferred on him by section 303 (2) (*b*) of the Madras District Municipalities Act, 1920, the Governor in Council is pleased to make the following rules for the conduct of elections of municipal councillors in municipalities.

RULES FOR THE CONDUCT OF ELECTIONS OF MUNICIPAL COUNCILLORS.

1. (1) Not less than 20 days before the date fixed for the holding of an election, the chairman shall prepare and publish a notice stating

(*a*) the number of persons to be elected;

(*b*) the wards for which they are to be elected;

(*c*) the date on which, and the hours between which, nomination papers should be presented to him;

(*d*) the date on which the nomination papers will be taken up for scrutiny, not being less than seven days before the date of the election;

(*e*) the day on which, and the place or places where, the votes of the electors will be taken, should there be a poll; and the hours during which the poll will be open, not being less than six hours between 8 a.m. and 5 p.m.; and

(*f*) the day on which, and the place and hour at which, the chairman will commence the counting of the votes.

(2) The notice shall be published by being affixed at the municipal office and in three conspicuous places in each ward for which an election is to be held, and, where the municipality is not divided into wards, in not less than three conspicuous places in the town.

Nomination of candidates.

2. (1) The nomination of every candidate shall be made by means of a nomination paper in Form No. I, which shall, on application, be supplied free by the chairman to any elector whose name is on the electoral roll for the ward.

(2) Every nomination paper shall be subscribed by two such electors as proposer and seconder and the candidate shall subscribe a declaration on it expressing his willingness to stand for election.

(3) The same elector may subscribe as many nomination papers as there are vacancies to be filled. Each candidate shall be nominated by a separate nomination paper.

(4) Every nomination paper shall be presented by the proposer or seconder, on the date and during the hours appointed, to the chairman at the municipal office.

(5) Nomination papers received after the date and time so appointed shall be rejected.

3. On the day appointed for the receipt of nomination papers and immediately after the hour for their receipt is past, the chairman shall publish in the municipal office a list in Form No. II of such nominations as appear to him to be valid with a notice that the nomination papers will be taken up by him for scrutiny at the municipal office on the date fixed in rule 1 at the hour specified by him.

Scrutiny of nomination papers.

4. (1) On the date and at the time appointed for the scrutiny of nomination papers, every candidate and his proposer and seconder and any other elector of the town or ward may attend at the place appointed, and the chairman shall give them all reasonable facilities for examining the nomination papers of all candidates which have been received by him as aforesaid.

(2) The chairman shall examine the nomination papers and shall decide all objections which may be made to any nomination papers on the ground that it is not valid under rule 2 and may reject, either of his own motion or on such objection, any nomination paper on such ground; the decision of the chairman shall in every case be endorsed by him on the nomination paper in respect of which such decision is given.

5. Immediately after the scrutiny and the acceptance or rejection of nomination papers in the manner described in rule 4 is completed, the chairman shall make up a final list of valid nominations in Form No. III and publish it on the notice board of his office not later than four days before the date fixed for the election

6. (1) Any candidate who has been duly nominated for election may withdraw his candidature at any time by written notice signed by him and delivered to the chairman before midday of the day previous to that fixed for the poll; but no candidate who has withdrawn his candidature may subsequently cancel his withdrawal and stand at the same election.

(2) The chairman shall remove from the ballot paper the name of any candidate who

(a) dies at any time before the poll is taken or

(b) has withdrawn his candidature in accordance with the provisions of sub-rule (1).

7. (1) If the number of candidates who have been validly nominated and have not withdrawn their candidature is equal to the number of vacancies, all such candidates shall be deemed to be duly elected.

(2) If the number of such candidates is less than the number of vacancies all such candidates shall be deemed to be duly elected and the chairman shall start election proceedings afresh for filling up the remaining vacancy or vacancies and repeat the formalities prescribed in rules 1 to 5.

8. (1) If, owing to there being more candidates than there are vacancies, a poll has to be taken, the chairman shall appoint forthwith one or more polling officers for each polling station and may pay them reasonable remuneration for their services. The chairman may also, if necessary, appoint one or more identifying officers to assist the polling officer in identifying the voters. Polling officers shall neither be councillors for the wards for which the poll is to be taken nor registered voters therein.

(2) If, after the taking of a poll has become necessary under sub-rule (1), the number of validly nominated candidates becomes, owing to the death of a candidate before the poll is taken, equal to or less than, the number of vacancies, election proceedings shall be started afresh and the formalities, prescribed in rules 1 to 5, repeated.

Voting.

9. (1) The polling officer shall keep order at the station, shall see that the election is fairly conducted, shall regulate the number of electors to be admitted at one time, and shall exclude all persons except his own clerks, the candidates or agents whom the candidates may have appointed in writing to appear in their stead at the polling station, the Police on duty, and such persons as may be admitted for the purpose of identifying the electors.

(2) The latter of a candidate appointing an agent to represent him at the polling station shall be sent so as to reach the polling officer before the voting commences.

10. The ballot box shall be so constructed that the ballot papers can be introduced therein but cannot be withdrawn therefrom without the box being unlocked. Just before the commencement of the poll the polling officer shall show the ballot box empty to such persons as may be present at the polling station and shall then lock it up and place a seal upon it in such manner as to prevent its being opened without breaking such seal and place it in his view for the receipt of ballot papers and shall keep it so locked and sealed. The key of the ballot box shall also be placed under seal.

11. The chairman shall provide for each polling officer such number of clerks as he may consider desirable and shall supply him with a copy of the electoral roll, a list of the nominations, ballot papers and boxes, and such other papers, stationery and forms as may be necessary.

12. Every ballot paper shall be in Form No. V and shall have the names of the candidates printed on it in alphabetical order. If there are two candidates of the same name, they shall be distinguished by the addition of their occupation or in some other suitable way.

13. (1) The name of every person presenting himself to vote and his number on the electoral roll shall be entered in a signature slip maintained in Form No. IV, and the voter shall thereafter, if he is literate, sign his name in the column provided for that purpose, or, if he is illiterate, shall fix his thumb-impression thereto.

(2) The voter shall present his slip to the polling officer who, after satisfying himself that it has been duly signed by the voter or impressed with his thumb-mark, shall file it, provided that the polling officer may, if any doubt should arise as to the identity of the voter, require that the slip be attested by any person present who can identify the voter. If there is no such person present, the polling officer shall note on the slip the fact that the voter's identity has been questioned

(3) Special facilities shall be accorded to women voters who observe the gosha system in accordance with the regulations framed by the Council in that behalf.

14. Immediately before a ballot paper—that is the counterfoil of Form No. V—is handed over to the voter, the polling officer shall

(i) initial it on the back;

(ii) enter the voter's number in the electoral roll on the corresponding counterfoil of Form No. V; and

(iii) affix his initials against the voter's name in the electoral roll.

The polling officer shall then tell the voter how many votes may be given and shall give him the ballot paper.

15. The voter on receiving the ballot paper shall forthwith proceed to the place set apart for the purpose and there mark a cross against the name of the candidate or candidates for whom he intends to vote. He shall then fold up the ballot paper so as to conceal his vote and put it into the ballot box.

16. (1) If the voter is unable to read the ballot paper or to make a cross thereon, and applies for assistance in doing so, the polling officer shall read it for him and, if so required, mark the ballot paper according to the directions of the voter and give it to him to put in the ballot box.

(2) In the case of every voter whose ballot paper is marked in this manner by the polling officer, a note shall be made on the corresponding counterfoil of Form No. V by the polling officer of the reason why it was so marked.

(3) The marking of a ballot paper by the polling officer under clause (1) shall not be questioned subsequently on the ground that it was not in accordance with the voter's directions.

17. (1) Any ballot paper which is not duly marked or on which votes are given to more candidates than there are members to be elected or on which any mark is made by which the voters may afterwards be identified, shall be invalid.

(2) If more than one cross is placed against any candidate's name, they shall count only as one vote in his favour, provided that the voter has not placed crosses against more candidates than there are members to be elected.

(3) If the cross or any one of the crosses is so placed as to render it doubtful for which candidate such mark is intended to apply, the vote concerned, but not the whole ballot paper in the cases where more than one vote can be given on the same ballot paper, shall be invalid, provided again that the voter has not placed crosses against more candidates than there are members to be elected.

18. If a person representing himself to be a particular elector named on the electoral roll applies for a ballot paper after another person has voted as such elector, the applicant shall, after duly answering such questions as the polling officer may ask, be entitled to mark the ballot paper in the same manner as any other voter. The ballot paper (called in these rules a tendered ballot paper) shall, instead of being put into the ballot box, be given to the polling officer, and endorsed by him with the name of the voter and his number on the electoral roll and set aside in a separate packet and is not to be counted by the chairman. The signature or thumb impression of the voter concerned shall be taken on signature slips in Form No IV, but should be attached to their connected tendered ballot papers and separately filed.

19. A voter who has inadvertently dealt with his ballot paper in such a manner that it cannot be conveniently used as a ballot paper may, on delivering it to the polling officer and satisfying him of the inadvertence, obtain another ballot paper in place of the spoilt one, the latter one together with its counterfoil being marked as cancelled.

20. Immediately after the close of the poll, the polling officer shall, in the presence of the candidates or their agents, make up into separate packets and seal with his own seal and the seal of such candidates or their agents as may desire to affix their seal—

(1) each ballot box in use at his station unopened ;
(2) the keys of such boxes ,
(3) the unused and spoilt ballot papers, both ordinary and tendered, with their counterfoils ;
(4) the tendered ballot papers with the signature slips attached to them ;
(5) the marked copies of the electoral roll and the counterfoils of ballot papers, and
(6) the file of signature slips.

21. The packets shall be forwarded at once by the polling officer to the chairman accompanied by a statement in Form No VI Each packet shall be numbered and shall bear a note as to its contents.

22. On the day and at the hour appointed for the counting of votes, and in the presence of such candidates or their agents as may be in attendance the chairman shall proceed as follows :—

(a) The ballot box or boxes relating to each polling station shall be opened one after another ; the chairman shall take out the papers therefrom, count them or cause them to be counted and record the number thereof in a statement in Form No. VII.

(b) The chairman shall then mix together the whole of the ballot papers of all the ballot boxes. The examination and counting of the votes will then commence. The chairman shall, on every ballot paper which is wholly or partially rejected, endorse the word "rejected." If any candidate or agent present questions the correctness of his rejection order, he shall also record on the ballot paper the grounds of rejection briefly.

(c) The chairman shall, as far as practicable, proceed continuously with the counting of the votes; and shall, during any necessary intervals during which the counting has to be suspended, place the ballot papers, packets and other documents relating to the election under his own seal and the seals of such candidates or their agents as may desire to affix them ; and adequate precautions shall be taken for their custody.

23. (a) After the chairman has completed the scrutiny and counting he shall prepare a return of the results of the polling in Form No. VIII, and, after verifying the totals of the votes with the figures in Forms Nos. VI and VII shall, subject to the provisions of rule 28, declare the election of the candidate or candidates to whom most valid votes have been given.

(b) Any candidate or his agent shall, on application, be permitted to take a copy or an extract from the return in Form No VIII.

24. The chairman shall not open the sealed packets containing the tendered ballot papers and their connected signature slips or the marked copies of the electoral roll.

25 Upon the completion of the counting and the declaration of the results, the chairman shall seal up in separate packets

(1) the ballot papers, all or some of the votes on which have been counted, and
(2) the ballot papers, all the votes on which have been rejected,

and shall mark on each packet the number of papers it contains. A note shall be made giving a description of the contents of each packet and the election to which it relates.

Disposal of ballot papers.

26. (1) The chairman shall, after declaring the result, forward a copy of the return to the district Collector and shall retain in his custody the packets of ballot papers, whether counted, rejected or tendered, and of the counterfoils thereof. These packets shall not be opened and their contents shall not be inspected or produced except under the orders of an election or other competent court.

(2) The chairman shall retain the packets for a year and shall then, unless otherwise directed by the orders of an election or other competent court, cause them to be destroyed. The marked copies of the electoral roll shall be preserved for three years.

General.

27. (1) If any person has been elected for more wards than one, he shall, within 24 hours from the date of the last of such elections, intimate to the chairman the ward for which he chooses to serve.

(2) In default of such intimation the chairman shall notify the ward for which such person shall serve.

(3) The said person shall be deemed to have been elected for the ward as chosen or notified as the case may be; and thereupon the voters of the other ward or wards for which such person has been elected shall proceed to elect a councillor in the manner hereinbefore provided.

28. If there is an equality of votes between any two or more candidates, the chairman shall, after notice to the candidates concerned, decide by drawing lots which candidate or candidates shall be deemed to have been elected.

29. The name of the candidate or candidates duly elected shall be forwarded without delay by the chairman to the Superintendent, Government Press, for publication in the *Fort St. George Gazette*.

30. A candidate who has been duly elected may submit his withdrawal in writing to the chairman at any time before his election is gazetted. In such cases the chairman shall declare the candidate who has obtained the next highest number of votes to have been elected. No candidate who has submitted his withdrawal may subsequently cancel it.

31. If any question arises as to the interpretation of these rules, otherwise than in connexion with an election inquiry, the question shall be referred to the Local Government whose decision shall be final.

32. If no chairman or vice-chairman is, in the opinion of the Local Government, available to conduct the first elections under the District Municipalities Act, 1920, the Local Government may direct the Revenue Divisional Officer or any other person to exercise the functions of a chairman under these rules.

Venkataranga Rao Garu, M.A., will, by effluxion of time, cease to be Ordinary Fellows on December 14, 1929, and that under section 9 (1) of the Act, the three vacancies thus created among the "Ordinary Fellows elected by the Faculties" are to be filled by an election, which, by direction of His Excellency the Chancellor, will take place at the Senate House on Friday the 10th December 1929. In accordance with Regulations 10 and 16 of Chapter III, the three vacancies will be filled by the Faculty of Arts and Science.

His Excellency the Chancellor has further directed, with reference to section 6 (4) of the Act, that one of the Fellows to be elected by the Faculty of Arts and Science shall be a person following the profession of education.

Voting papers will be furnished to each member of the Faculty, which should be filled up and returned to the Registrar either (a) *by the voter in person* or (b) *by registered post* so as to reach him not later than 6-30 p.m. on the day of the election. Special covers addressed to the Registrar for returning the voting papers will be supplied to voters. The scrutiny of votes will take place at 6-30 p.m. on Friday the 10th December 1929 at the Senate House.

ELECTION OF FELLOWS BY REGISTERED GRADUATES.

It is hereby notified that under Regulation 4 of Chapter III of the Regulations an election of three Ordinary Fellows by registered graduates will take place, by direction of His Excellency the Chancellor, at the Senate House on Friday the 10th December 1929 between the hours of 4-30 p.m. and 6-30 p.m.

A bonus equivalent to two months' average scholarship will be granted for each year of training to such of the apprentices as satisfactorily complete the whole period of training agreed on at the commencement of the scholarship.

The conditions of award will be as follows:—

(1) All scholarship-holders shall be on probation for six months, after which the scholarship will be confirmed or withdrawn after consideration of a report from the employer or teacher regarding the scholar's work. Scholarships will ordinarily be granted to members of the artisan castes or to others whose families are already in the trade.

(2) No scholarship will be granted to candidates who are over seventeen years of age at the commencement of their apprenticeships, but in the case of Muhammadan candidates, the age limit may be raised by two years.

(3) The general educational attainments of candidates should be such as would enable them to profit by the training provided. Ordinarily a standard V pass in the primary grade will be regarded as the absolute minimum, but the nature of the trade to be followed, the pecuniary circumstances of the candidate, and his general fitness for the work will be taken into account in deciding whether a candidate is qualified for the scholarship.

(4) The candidate and his guardians must enter into an agreement with the employer that he will faithfully fulfil the conditions of apprenticeship, and unless prevented by sickness or other circumstances beyond his control, serve the full term of apprenticeship that may be agreed on.

General Regulations.

3. Applications for scholarships should be submitted by the head of the institution in which a candidate is studying or intends to study or by the candidate's employer or his manager on or before the 15th April in each year. Applications should be accompanied by a 'clearance' certificate from the school last attended and by such other particulars as are likely to assist the Director in coming to a decision, and should be made on forms which may be obtained from his office.

4. The names of selected candidates will be notified by the Director of Industries in the *Fort St. George Gazette*. Each scholarship will come into force on the 1st July.

5. Any scholarship withdrawn during the period for which it is tenable may be awarded with the consent of the Director of Industries for the remaining period to any eligible applicant.

6. Heads of institutions and employers may grant leave for a period not exceeding one month to scholars who are absent in consequence of severe sickness; but if the leave exceeds this period no scholarship will be granted for the period exceeding one month. Casual leave may be granted for good and sufficient reasons for a period not exceeding fifteen days in the year. If a scholarship-holder absents himself without good reason on the reopening day after the vacation or holidays the scholarship for the vacation or holidays is liable to be withheld by the Director of Industries.

7. No person receiving a scholarship under this notification will be permitted to hold another scholarship, provided wholly or partially by Government, without the special sanction of the Director of Industries.

8. All scholarships are liable to forfeiture for idleness, misconduct, irregularity in attendance or failure to make due progress as to secure annual promotion.

9. A scholarship held in any class or year of apprenticeship shall run from the beginning of the month in which the holder joins the class and shall not be drawn after he ceases to attend the class or leaves the workshop. The scholarships are payable monthly.

10. In all cases where poverty has been made a condition of award, applications will be summarily rejected unless there is evidence to show that but for a scholarship, the applicant will not be able to continue his studies.

11. In addition to any register maintained under rule 50 of the Madras Educational Rules an acquittance roll containing the following information shall be maintained by the heads of the institutions or employers concerned and should be produced at the time of any departmental inspection of the institution, or workshop or mill:—

(1) Number; (2) name of scholarship-holder; (3) standard of scholarship; (4) monthly value of the scholarship; (5) period tenable; (6) number and date of the order in which the scholarship was sanctioned; (7) month for which the scholarship bill was drawn; (8) date of the encashment of the bill; (9) date of disbursement of the scholarship money and amount; (10) signature of the scholarship-holder; and (11) remarks.

12. Government trust that employers of labour will co-operate with Government in this scheme to the extent of conducting recognised classes in their works during working hours or allow their apprentices time off duty to attend classes in the Madras Trades School or any other place where suitable training is provided.

13. Works schools and classes will be eligible for recognition and for a Government grant provided they are conducted to the satisfaction of the Director of Industries, irrespective of the number of scholarship-holders in attendance.

A. T. G. CAMPBELL,
Director of Industries.

3. No person will be allowed to bid at the auction unless he furnishes an earnest-money deposit of Rs. 1,000 (one thousand) at the time of sale *in each depot* and unless he signs his name in the sale notice to imply his acceptance of the conditions contained in that notice.

The deposit of unsuccessful bidders will be returned to them at the conclusion of the sale.

4. The sales will be subject to confirmation by the Conservator of Forests who does not bind himself to accept the highest or any bid. It is possible that the Conservator of Forests will himself be present at the time of sale and the result of sale may, therefore, be announced on the spot.

5. Each purchaser shall, immediately after a lot is knocked down to him, sign his name at foot of the sale list in the column provided for the purpose. Such signature shall be held as an admission on his part of having bought the lot.

6. Immediately after the sale, each purchaser, if his offer has been accepted by the Conservator of Forests for that lot, will be furnished with a memorandum showing the total amount due by him and shall pay 50 per cent of the same, less the earnest deposit referred to above, into any of the Government treasuries at Vellore or Tiruppattur or remit it into the Bank of Madras payable to the Government treasurer at Vellore or Tiruppattur or remit it into the Bank of Madras payable to the Accountant-General in Madras, *within five weeks from the date of receipt* by him of the memorandum confirming the sale and the balance before 28th February 1921 or before removal of the sandalwood purchased from the depot premises whichever is earlier.

7. Should any purchaser fail to make the payment as indicated above on the due date, the sandalwood purchased by him will be resold at his risk, the earnest deposit made by him forfeited to Government, and any loss occurring by such resale recovered from him as if it were arrears of land revenue. Should however any profit arise by such resale, the defaulter shall not participate in it.

8. The purchaser must take delivery of the sandalwood before 15th February 1921 but he will not be allowed to remove any wood until payment has been made in full for the entire quantity of wood purchased. If delivery is not taken within the time allowed, a demurrage of Rs. 10 per day will be charged until such time as the wood is removed from the depot premises—vide paragraph 11 infra.

9. On presenting the chalan to the officer in charge of the depot for the payment of value of the sandalwood purchased by each merchant, the wood will be weighed as it is, in the depot, in the presence of the purchaser or his accredited agent by an officer of the department not lower in rank than that of a Forest Ranger. No further cleaning or classification of the sandalwood will be undertaken by the Forest Department nor will purchasers be allowed to clean any wood previous to weighment. The classification, cleaning and weighment as determined by the Forest Department must be accepted. Should any deficiency occur after weighment, the value of the deficiency will be refunded to the purchaser or if an excess is found it shall be paid for by him.

10. The purchaser shall bear the cost of weighment at the time of delivery.

11. The purchaser will be allowed reasonable time not exceeding beyond 28th February 1921 to remove his wood after weighment and delivery. During this period the wood will be kept in the depot at his risk and loss. If the purchaser fails to remove all the wood within the period, any sandalwood remaining unremoved, will become the property of Government.

12. Special endeavours will be made to secure railway facilities to the purchasers for the transport of their sandalwood by rail.

13. No sandalwood can be removed from the depot, till a licence to remove sandalwood, signed by the officer of the Forest Department who weighed out the wood shall have been obtained and till every piece of sandalwood that can be stamped has been stamped with the district 'Sale hammar'

14. The officer conducting the sale shall be at liberty to stop the sale at any time without giving any reason to the intending purchaser.

എന്നാൽ—

(a) യുണൈറഡ് കിങ്ഡത്തിൽ സന്തക്ഷണക്കായി കൊടുത്ത അപേക്ഷയുടെ തീയതി മുതൽ ഒരു പേറന്റിന്റെ സംഗതിയിൽ പതിനേഴു മാസത്തിനുള്ളിലും ഒരു കല്പിത രൂപത്തിന്റെ സംഗതിയിൽ നാലുമാസത്തിനുള്ളിലും അപേക്ഷചെയ്യുന്നതാകുന്നു; ഇല്ലെങ്കിൽ,

(b) ഒരു പേറന്റിന്റെ സംഗതിയിൽ ബ്രിട്ടീഷ് ഇന്ത്യയിൽ അപേക്ഷ സമർപ്പിച്ചതൊ ഒരു കല്പിത രൂപത്തിന്റെ സംഗതിയിൽ കല്പിതരൂപം ബ്രിട്ടീഷ്ഇന്ത്യയിൽ രജിസ്റ്റർചെയ്തതൊ ആയ യഥാർത്ഥ തീയതിക്കു മുമ്പായി ലൈസൻസുകൊടുക്കുന്നതും വ്യവഹാരങ്ങൾ നടത്തുന്നതും ഈ വകുപ്പിലെ യാതൊന്നും പേറന്റ് സിദ്ധിച്ച ആൾക്കൊ കല്പിതരൂപത്തിന്റെ ഉടമസ്ഥനൊ യാതൊരു അവകാശവും നല്കുന്നില്ല.

(b) ഒരു കല്പിതരൂപത്തിന്റെ സംഗതിയിൽ ആ കല്പിത രൂപത്തെ പ്രയോഗിച്ചിട്ടുകയോ ഉപയോഗിക്കുകയോ ആയതിന്റെ വിവരണമോ പ്രതിരൂപമോ പ്രസിദ്ധപ്പെടുത്തുകയോ ചെയ്യുന്നതിനുമുമ്പ് മാത്രമാകട്ടെ,

ഒരു പുതിയ സൂത്രത്തിനു കൊടുത്ത പേറന്റോ ഒരു കല്പിതരൂപം രജിസ്റ്റർ ചെയ്തതോ അസാധുവായിത്തീരുകയില്ല.

(3) ഒരു വകുപ്പുപ്രകാരം ഒരു പേറന്റ് കിട്ടുവാനോ ഒരു കല്പിതരൂപം രജിസ്റ്റർ ചെയ്തു കിട്ടുവാനോ ഉള്ള അപേക്ഷ ഒരു ആക്ട്പ്രകാരം ഒരു സ്വാധീനം അപേക്ഷ കൊടുക്കണം വിധത്തിൽ തന്നെ കൊടുക്കേണ്ടതാകുന്നു.

എന്നാൽ ആ അപേക്ഷ, ഒരു പേറന്റിന്റെ സംഗതിയിൽ യുണൈറ്റഡ് കിങ്ഡത്തിൽ സംരക്ഷണത്തിനായി കൊടുത്ത അപേക്ഷയുടെ തീയതിയിൽ പന്ത്രണ്ടുമാസത്തിനുള്ളിൽ സ്വീകരിച്ചിട്ടില്ലെങ്കിൽ, ആ കാലം കഴിഞ്ഞാൽ അതിന്റെ കൂടെ അയച്ചുതായ വിവരണപത്രവും വല്ല ചിത്രങ്ങളുണ്ടെങ്കിൽ അവയും പൊതുജനങ്ങൾക്കു കാണുന്നതിനു തുറന്നുവച്ചതായിരിക്കുന്നതാകുന്നു.

(4) സ്റ്റിച്ചിങ് ഇന്ത്യയിൽ പേറന്റ് കൊടുത്തതോ രജിസ്റ്റർ ചെയ്തതോ ആയ പുതിയ സൂത്രങ്ങളോ കല്പിതരൂപങ്ങളോ സംരക്ഷിക്കുന്നതിനായി ചക്രവർത്തി മഹാരാജാവിന്റെ മറ്റു വല്ല രാജ്യത്തിലെയും നിയമനിർമ്മാണ അധികാരസ്ഥന്മാർ ഇപ്പോഴുള്ള ഏർപ്പാടുചെയ്തിരിക്കുന്നുവെന്നു ആലോചനസഭയിൽ ഗവർണർ ജനറലോട് അറിയിക്കപ്പെട്ടാൽ ചക്രവർത്തി മഹാരാജാവിന്റെ രാജ്യങ്ങളിലെ ആ ഭാഗത്തു പേറന്റു കൊടുത്തതോ രജിസ്റ്റർ ചെയ്തതോ ആയ പുതിയ സൂത്രങ്ങളോ കല്പിത രൂപങ്ങളോ സംരക്ഷിപ്പാനായി ഒരു വകുപ്പിലെ നിബന്ധനകൾ പരസ്യത്തിൽ കാണിക്കുന്ന വല്ല ദേശത്തിലേയും പേർക്കുമേൽ ഈ ആക്ട് സംബന്ധിക്കുന്നതാണെന്നു ആലോചനസഭയിൽ ഗവർണർ ജനറൽ ഗസറ്റു ഗസറ്റിൽ പരസ്യപ്പെടുത്തുന്നതാകുന്നു.
